Body

On August 5, 2022, a Supreme Court bench consisting of Justices D.Y. Chandrachud and J.B. Pardiwala permitted a 25-year-old unmarried woman to medically terminate her 24-week-old pregnancy resulting from a consensual relationship. Justice Chandrachud noted the legal framework that restricts unmarried women (vis-à-vis married women) from medically terminating their pregnancies, and stated that both married and unmarried...
