The aforementioned article got published with the following two errors:

1. P.68, Para 2, Line 3-

“Marathas also constitute about 60 per cent and 75 per cent of the persons in the management in universities in Maharashtra.”

It should be read as:

“Marathas also constitute about 60 per cent to 75 per cent of the persons in the management in universities in Maharashtra.”

2. P.69, Para 1, Line 1-

“...36.41 per cent, respectively, are graduates, and 15 per cent of Brahmins and 22 per cent of OUCs are postgraduates.”

It should be read as:

“...36.41 per cent, respectively, are graduates, and 25.86 per cent of Brahmins and 10.14 per cent of OUCs are postgraduates.”

The errors are deeply regretted.
